

PRE-K FAMILY ENGAGEMENT

NEW WAVERLY ELEMENTARY SCHOOL

FAMILY-TO-FAMILY SUPPORT

One way to support your child's learning is to stay connected with other families. We encourage you to exchange contact information with the families of your child's classmates. You can share struggles and find solutions. Or, you can share triumphs and encourage other parents. At a family night gathering you will have the opportunity to do just that. Look for information about time and date in your child's folder.

FAMILY SURVEYS

Families will complete a survey at the beginning of the school year which will guide teachers as they make decisions about lessons and activities to help each child grow and learn. Families will complete a survey at the end of the year that will help teachers evaluate the Family Engagement efforts.

PRE-K TEACHERS
